

MOLLE PLATE KIT

Owner's Manual

OVERVIEW

Thank you for purchasing a Molle Plate Kit. These Molle Plates are an excellent modular mounting plate for almost anything you can imagine, such as shovels, jacks, water tanks, or fuel tanks. The plates are good for overlanding use, and they give your truck an offroad look. They can mount to any of our rack side arms, either on our 6" side arms or our telescoping arms. They are easily mounted and quickly detached using our universal Wing Bolts.

STEP 1

To install, start by holding up one of your Molle Plates to either the 6" Side Arms or the Telescoping Arms. Adjust your rack spacing to line up with the holes in the Molle Plate. A minimum of 18" (1.5 Feet) is required between the rack side arms for proper spacing. After you have lined up the holes, use the Wing Bolts provided and mount the plate. Each Molle Plate is mounted with (4) Wing Bolts. Make sure all of the Wing Bolts are tight.

STEP 2

If your Wing Bolts are stuck after tightening them, you can use a screwdriver or crescent wrench to loosen them.

Warning and Safety Instructions

- Do not attempt to mount anything over 50 pounds on one Molle Plate
- Do not mount anything that sticks past the mirrors of the vehicle
- Gas tanks mounted on the Molle Plate should be intended for hauling gasoline on the exterior of a vehicle and designed for transport
- Driving with loose bolts or fasteners can lead to serious injury or damage to equipment
- Failure to follow proper installation instructions could lead to serious injury of people and equipment
- The Wing Bolts are intended only to be tightened by hand
- When mounting each Molle Plate, there is to be a minimum of 18" (1.5 Feet) between the mounting tabs of the rack side arms

Replacement/new parts can be found on our website: **Truckify.com**

Our Molle Plate kits are vehicle specific, so ensure you have entered your truck's make and model correctly.

- A16026 Wing Bolt T Nut Kit
- R21203 Molle Plate 54" Kit

Returns

All returned products must have prior authorization from Truckify before they are shipped back to our facility. Returned products without pre-authorization are not eligible for credit. There will be a 20% restock fee on returned items. Products must be returned within 60 days of the date of sale to be eligible for credit. To request a return, go to our website, Truckify.com, under returns, to submit a return.

Warranty

This product comes with a limited one year warranty. Products manufactured by Truckify are warranted to be free of defects due to faulty material or workmanship for 12 months from the date of purchase. Normal wear and tear is not considered a defect in material or workmanship. Liability under this warranty is limited to the replacement of the defective part provided that the following conditions are met:

- Truckify is promptly notified in writing of such defect immediately upon discovery, and the defective product is returned for inspection
- The defect is not due, without limitation, to faulty installation, misalignment of the product, vibration, pressure pulsations, ordinary wear and tear, corrosion, ultraviolet degradation, operation outside the product specified limits and using the product for uses other than its intended use
